Case 13

The share of No 2 is what No 1 sold him out of the 5/16 V
Vide Tahsildar's Arzee 30th May 1866 No 11.
The Vritti which reverted to No 1 being trifling, & he being collateral to the deceased, I do not think that this 5/16 V should be separately settled on higher D.R. 1/4
I would therefore confirm the 2 1/2 V as recommended by the Dy Colr on 1/8 do R.

Case 18

Annatorayengar was the brother of the widow of Kuppien in F1205. At her death without issue, he performed her funeral and has since inherited her inam. Vide the [illegible] 30th May 1866 № 2.

The original family is extinct & considering that the present holder's family have held the land for nearly 50 years, I would confirm this Statement. Do Rao recommended by Dy Coll. Do R 8 Ro.
