

The following is a detailed transcription of the handwritten manuscript page, organized into columns and rows to reflect the layout. The text is written in a cursive script, likely from the 19th century.

Top Section: Village and District Information
 The top of the page contains several lines of text, including "Muttar village Channarayana Taluk Malabar District 19" and "21".

Main Table: Land and Revenue Records
 The main body of the document is a large table with multiple columns. The columns are headed by "No.", "Area", "Cultivation", "Revenue", "Assessment", "Remarks", and "Signature". The entries are organized into several groups, each corresponding to a different landholding or village section.

Group 1: Landholding 1
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Group 2: Landholding 2
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Group 3: Landholding 3
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Group 4: Landholding 4
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Group 5: Landholding 5
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Group 6: Landholding 6
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Group 7: Landholding 7
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Group 8: Landholding 8
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Group 9: Landholding 9
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Group 10: Landholding 10
 This group includes entries for land areas ranging from 1 to 10, with corresponding revenue and assessment figures. The "Remarks" column contains details about the land's use and the "Signature" column shows the names of the landowners or officials.

Bottom Section: Summary and Remarks
 The bottom of the page contains a summary of the records, including a total of "10" entries and a "Remarks" section.

The manuscript is written in a cursive script, likely from the 19th century. The text is organized into columns and rows, with a clear structure for recording land and revenue information. The handwriting is somewhat faded and the ink is dark, typical of old documents.
