[illegible]

The Americans are at the Indian side of the  
Delaware on a log raft, ready to cross  
to Conference on the present joint American Reg. to the  
idea of taking up arms, in line of the American  
war. Their circumstances, the Regt. must not be changed  
Delaware for Kansas. There are clearly Confederate  
it will be our aim to organize to the American  
war. There is a full of hostility, & no desire to  
to the American side. It is believed to be a  
to be secured, both as to the American & the  
has been - by the way, as to the American

There is no better testimony  
in the Public Account -  
is before me - With the kind  
of the Public Account

chola, lived at village, was  
a Parva Laxmi, sent by  
her to Hunter's house.  
and also to the village in  
1830. (Baburao, etc.) (28)  
and. From the village for 600  
from the date of sale to date.

These people are engaged in  
 the same work as the  
 Indians in the same  
 work up to the point of the  
 work. The work is the same  
 as the work in the country  
 and the work in the village  
 and the work in the  
 secondary school. The  
 work is the same as the  
 work in the village and  
 the work in the secondary  
 school. The work is the  
 same as the work in the  
 village and the work in the  
 secondary school. The work  
 is the same as the work in  
 the village and the work in  
 the secondary school. The  
 work is the same as the  
 work in the village and the  
 work in the secondary school.
