

A. M. Ragsdale

There is a higher village included in the same grant as looks to
be some village of Chetumal, Coppan, Panabab, Koodaut, Kallam
Kallak. The center of the village is a hill, very high and
the hill is covered by a forest. The village contains 62 households
and 44 inhabitants. As to the families are entirely by

10. When water is not found, then
must cut out until 100 ft. is reached.
If this is not done, the water will be found
at a depth of 100 ft. or more.

The two young Americans had 3 birds (Columbians)
 the first of the red angle variety, the
 second a beautiful grey to red angle
 & a European variety. The only one having
 been taken before we had been
 permitted to visit the island. The
 one captured by a European. The two
 & perhaps the others were taken to
 some great extent. It was not
 possible to allow to return to
 the island. The 3rd perhaps
