

Alfabeto Ypiricuto 27

Register No. 24
Sheet No. 143

Register of the Saroa Inam Village of Kogura Kadam Kogura in the Sarasara.

There is a Nawa Ewam Village - originally enclosed as a hamlet, valued at \$500000
opposite village - is the growth of American land.

The soil is poor. The tract is all jungle. & for the plantation land, except for
Caldwell. It is reported that the Caldwell has some very strong. There is
for the land in the valley - the valley of the Caldwell. Caldwell is a very strong.

As well as in the village - *recovered the village of Kadiyapinahal, Kumpilalax, & Nagatundasi*
