This is a Pine-tree off
 Wagon in the same bush.
 The yellow is in the
 In the bush, & I have
 measure the Pine-tree off
 have measured it, & a pencil
 in the path off bush.
 The Apaches value is
 \$110.26.
 In your message a number
 the Apaches' and is \$9.00
 & the Apaches' value is \$1.00.
 This is the best. I have to measure it
 to be kept, a pencil & a pencil
 I have for a pencil & a pencil
 in the path off bush.
 The Pine-tree off bush

Blue Paper at $\frac{1}{8}$ R.R. } 2 Rs.

Confil Count^{ts}
The mountains there is
equal to the best land.

25 Jan 62. 7.50m
1562.

Note: In all these cases
 depending on the little hand rule
 will be a specific name or job
 payable immediately - but "subject"
 upon receipt of $\frac{1}{3}$ of personal services.
 Minutes: Also letter of introduction to
 acknowledge to a person of the volume 2
 of the 1st volume - (also to the 1st volume).
