

Registered
Sheet No. 614

This is a Terra Inculta Village.
The well excavated by Brahmajin of the Kalligavanam bank, & lying near the
in the village of Kalligavanam. But the use of the bank is not of the place, & hence the
village, whence the well is not so extensively cultivated as in earlier years.
The conclusion appears the earliest & by precept in the waters of the bank.
It has been so claimed for the restoration of the bank beyond what is the first
most valuable is any amount in the River Bank for the first ground. The first place for
the village is the line of this circumstance. In the first instance, the first place for the first place.

[illegible]

Two branches easy to release is 2 shanes.
Land and not under. but the house &
some the rest are purchased. To the 1st Br.
ing, in line of the father's Brother, and some brother
2 of them are living. To them we have
Pangemung, or Pangemung, and some some a place
by No 4 243 - to 102 Rue de la
his of a brother. living he is here
brother in - All live in the house - in the
house.
