Jodi 120-0
In Tippoo's time 4-2-4 as appears from the acct of Jodi. It has been since raised to the present sum of 12 Rs

According to Tippoo's acct it was granted in 1792 by Poligar Kerappa Lord

Not known. It appears in all the accts since Dugas [illegible]

In F 1212 not found among Umbali Villages

In F 1229 This is an ancient grant. It was under Zafti in Tippu's time in Company's rule it was a Jari Inam subject to Jodi 4-2-4. China Timma enjoys

Ponnalnattam
1 Timminayak 65 grandson
2 Kempa 20 Brother's grandson's son

Wife's Sons, Brother's, Brother's aunt's share

They enjoy the produce in 2 equal shares

The acct of Jodi is as follows

[illegible]	52 -		
	11		
[illegible]	1 - 15		
In Company's time	19		4-2-4

This village is not found in F 1212 among Umbali Inams. The report of Jodi very strongly represents it as a very old grant. I would therefore confirm the village as a valid Inam charging 1/4th [illegible] on the proposed Beriz. The Beriz is 75-9-6. 1/4th 19 Rs. I propose the Tax should be made to merge in the new Quit rent.

After [illegible] The sum should be Rs 35-5-7. As we charge for the waste in lump, we need not notice the tree & grass tax.
