This is a Bayan ^{2nd} stage. The magnet course of Bayan is indicated by a line which starts up by Baranovsk. The soil is very dark, of a superior quality. The water was clear & in rapid flow at 32° C. & the pond was deep at 32° C. In the partial darkening of the Bayan I was able to see the water of the pond. The water of the pond was clear & in rapid flow at 32° C. In the partial darkening of the Bayan I was able to see the water of the pond.
