

This is a Shastagan Niwaga. i.e., the Govt share is $\frac{5}{8}$ of the Revenue & $\frac{3}{8}$ of the
 & the Sannad share is $\frac{3}{8}$ of the Revenue. This was originally a Sannad Sannad
 village - continued as such in Dept. of Revenue - In 1878 Sannad Sannad, a Sannad
 No. 103-12 - was changed - In 1894 to 1895 Capt. Graham wanted to exchange it with a Sannad
 104th & 105th - respectively - In 1895 he & Co. of the Sannad Sannad wanted to exchange it with the Sannad Sannad
 Sannad Sannad - In 1895, the Sannad Sannad wanted to exchange it with the Sannad Sannad
 for the use of the Sannad Sannad at Sannad Sannad - & continued to exchange it with the Sannad Sannad
 the Sannad Sannad, which in effect turned the village into a $\frac{1}{2}$ Sannad Sannad - The rest is Sannad Sannad
 which never requires any payment.

The Conference
The average being 7
the average is No 146-12-6-
Area these out of 120-10-5
In sum value 24-2-1

[illegible]

the average - ~~at average~~
 72 of because, he says to abandon the bridge
 all in a garden in certain seasons
 I fully explained to him the advantages
 of his being undivided master of the bridge, but
 the proposed Paris freightless line - I see no reason
 to make any sacrifice in the average ~~Paris~~ - I was
 therefore ~~convinced~~ ~~the bridge~~ ~~on the existing~~ ~~have spoken~~
~~confer~~ his rights, giving him (and the bridge) his average ~~value~~ ~~of the~~
 my 24th - submit to a full view of 3 the a year after.
