The interest of Form has been
since reduced, yet improves
one looked in each case
all are doing quite well
but not allowed to see
to that such Bill

This is a ~~not~~ Cercar release of the Volcan & Bagalun

The left is simple.

The Sept 20 Sample
is assumed to have been prepared in the
July 1891 - when the specimen
had been made out.

Kagganur Village
Bagalur Taluq
Karsur Taluk

[illegible]
