A close-up photograph of a blank, aged, yellowish-brown page, likely an endpaper or flyleaf of a book. The paper has a textured, slightly mottled appearance with various creases and small dark spots. Faint, illegible markings are visible, including a small '20' in the upper left and some scribbles in the center. The right edge of the page shows the binding of the book.

A close-up photograph of a piece of aged, yellowed paper. The paper is heavily stained with large, dark brown and black blotches, particularly concentrated in the lower half. Faint, illegible handwritten markings are visible in the upper left and center, appearing as dark ink scribbles and lines. The overall texture is rough and uneven due to the staining and age.
