2 Our Kelamangalam Namaya
filed statement for this
Trishnukam as the Darnaharta
of the temple of Chendia
Maridwara Swamy, & Anjmayal
Swamy at Kelamangalam,
instituted by Chemiahisthal
Shastri of this case -
Namaya ~~is~~ ^{is} ~~not~~ ^{not} Chendia-
histhal Shastri made gift of the
village in Permadichak (1861) to
the above deity and appointed his
father as Darnaharta of the gift.
This does not appear to be a fact &
even if true, we are not to recognize
a wholesale gift of the kind. I there-
fore reject his statement -

The filial statement from
 this in favor of the other branch
 of his father-in-law is
 given to him in gift.
 He produced a deed of
 gift dated 1841
 (1853) executed by
 his father-in-law (Thomas
 Richard Shastory (father
 of his wife Barbara)
 giving him right of
 property. This document came
 to hand under a decision
 in the disposal of the paper
 by the Board. I have written
 to the Collector on the subject
 of the order. It is reported
 as not found in the last
 month's issue has been received
 yet from the Collector's office.
 I have written again to the Collector
 of Salem on the subject. I have
 received a note to be the top of
 the letter. I will be happy to

Remark by the Sub Collector -
 Considering the present enhanced value of landed property in general and the higher profits realized by the Agricultural classes in these days, it appears to me that the productive capabilities of the Agarharans were not estimated at their proper value. This led me to call for returns from the Salar and to compare the Series of the last 5 years with that of the preceding five. The result shows a steady increase of Revenue year after year. Such being the prospect of advantage to the Agarharans, I am of opinion that the average of the last 5 years should be taken as the basis for calculating the quit rent on this Agarharans.
