 He represents a number of the in-
 ters. but he cannot divide from the
 scale of averages. when rising to agree
 to any amount that may be fixed. The
 average is higher than the average of 1 year
 increase in the average of 10 years has resulted
 average a little. I recommend him to 1000
 be fixed at 1000. The high cost of 1000
 will be kept up. ¹⁰⁰⁰ This necessitates some caution
 in the manner we have to try his chance by
 the average in the proportion of 1000
 as to the good service on behalf of all the churches
 that the British have good service the presence
 their respective slaves to the village.
 Henry Phillips D. Backlog
 village the brother that the good
 name. He is also a perfect and
