This is an Amlaga Inam village of an older date than 100 years and it is entered as such in the accounts of Fusly 1212. The present holders who are the descendants of the original grantee, agree to the terms of enfranchisement applicable to this class of Inams and the Poligar has no objection to the village being confirmed to them; provided that in addition to the ½ quit rent the sum of Rs 18-0-0 is made payable to him by the holders on account of the salary of a person to perform the services for which the grant was originally made and that the poramboke lands in the village are equally divided between him and the Inamdars.

This is inadmissible under the Rules of the Inam Department and the Poligar cannot reasonably prefer any further claims than those which have already been recognized and allowed in the case of other Poligars.

It is recommended that the Inam be confirmed to the present holders on ½ quit rent which is as follows:-

Existing jodi Rs 74-5-11
½ Assessment Rs 78-0-2
Total or combined quit rent Rs 152-0-0 payable to the Poligar.
