This is a clever Satire advertisement in simple
writing and is a last of there is not to be
had for the money. The money that is now left.

My dear

Willson

A close-up photograph of a handwritten flourish on aged, yellowish-brown paper. The flourish is a single, elegant, curved stroke, possibly a cursive 'e' or a decorative element, written in dark ink. The paper shows signs of wear, including small dark spots and a slightly textured surface.
