Agrahar Ayakat No XXIV

24

Inam as

Register No 24
Sheet No 173

This is a Sarva Inam Village. The original grant was not subjected to retrenchments in the days of Tippu Sultan, & in the Company's rule the Agrahar Ayakat was divided off from the Circar Villages. The Agrahar has no Poramboke, nor Samudayam.

In F 1210, a field war account was prepared for each share – (amounting to 24 V). But it appears that arrangement has not been kept to. Regarding the wet, the lands were divided among the Vrittis permanently but without any record of the Division in the Circar Accounts. As regards the Dry the Agrahardars remodel shares by exchanging fields from one share to another. So there is left no means to find out the actual fields occupied of each individual – & therefore both collective Settlement with the whole Agrahar community. The Village is now enjoyed in 66 Vrittis.

The Accts available for the settlement are ~~[illegible]~~ Cattle [illegible] Patta of Fusli, Kosam Acct of F [illegible]; Kosam Acct of Fusli of F 1263.

The soil is very good – the assesst is ample.

~~[illegible]~~
The average dry rate is 3½ Rs per Acre.
The wet net rate is 13 & odd Rs per Acre.
The garden rate is 8½ Rs per Acre.
The Shrotriemdars claim a remission on the assessment but none of the assessts ~~[illegible]~~ go above the rates now prevailing in the Zillah [illegible] Talukas. The Agraharam is held on a joint tenure. I therefore see no reason to uphold any claim for remission of assessment.

He has been enjoying ½ V only of Chedambara Rangaya. The Ramaya ½ V is under Mortgage with others [illegible]

This person claims right to the property of 3 [illegible] brothers. The ⅛ V is his own [illegible]. The 2nd belonged to Chedambara Ramaya. In F 1251 it was recorded as in the enjoyment of his Daughter-in-law Guruvamma. In F 1263 ¼ V was entered as under mortgage with Veerole Venkata Subbaya & the remaining ½ in the enjoyment of Daughters-in-law Yellamma & Guruvamma. It seems Guruvamma is living. She has no issue. Venkaya now declares his right on the ground that Chedambara Ramaya & Samayan were brothers & that Guruvamma has put herself under his protection. She [illegible] [illegible] that was under mortgage [illegible] has been since redeemed by Venkaya in F 1269. He has to redeem deeds of mortgage to his [illegible]. Under these circumstances I would confer on Chedambara Ramaya's V in his name. 3 – the 3rd property belonged to [illegible]

To Polappa Ragaya – In F 1251, the V of Polappa Ragaya was recorded as under mortgage with Vera Ragavaya (4½/16), Vasudevaya (3½/16).
