Inam Register of the Sarva Inam Agrahar of Kodi [illegible] in the [illegible] Talook of the Salem Dt

[illegible] Sarva Inam Village

The acts common with [illegible] - the practice of Changut [illegible] has existed in this Agrahar & so no individual settlement can be attempted -

The Agrahar consists of 42 Vrittis -

The Agraharadars know so little of their own rights & enjoyments, that they filed statements for their Vritti enjoyments most confusedly & made the number of Vrittis run far above the prescribed number of Vrittis - they can't satisfactorily trace their acquisitions to the proper deeds [illegible] & show the link of transfers - I have therefore been obliged to get their statements revised, & so that the Vrittis may not run above the number & to record their enjoyments as ~~corr~~ certified to by the principal persons of the village -
