

*[The page contains three handwritten registers from the Paramati division of the Namkal Taluk. Each register lists land parcels with details such as owner names, area measurements, and tax amounts. The registers are dated 1798, 1799, and 1800. The handwriting is in English and includes some local terms like 'Nanjingdaga' and 'Rajadunni'. There are also some marginal notes and signatures.]*
