The present holder is not
a legal heir either to the
father Inam or to his
daughter Shirumalumak
but he has been enjoying
the Inam for some time
after the death of Shiru a Dist Rent

The collector does not see why the goods
sent in this case should be one half.

The present holder's title is certainly
defective, but still his long possession entitles him
to the benefit of section 17 of the Rules under
which I would recommend that a compulsory
quit rent of one eighth may be fixed.

Attachment will be removed.
