Remainder — 53-35-1/2 7/8 153.278

The remaining patent has been incorporated with Government Bonds, in consequence of the failure of the paper, in efforts to attract before the Deputy Collector's settlement. He had since appeared before the Tribunal ^{he} stated that he was about abroad and that his father died leaving him a minor and that consequently he was unable to present himself at the Deputy collector's enquiry. His statements were true. His Residence is at Bumpkhal.
