Agrahar Register
No ~~XX~~ 7

There [illegible] village – It was originally a Sarva Inam
Customs[?] [illegible] of the Mysore Government – It ~~has~~ had been enjoyed
undisturbed up to the rule of Tippu Sultan – This prince resumed ~~[illegible]~~ 1/3 of the
village in F 1195 – & allowed the remaining 2/3rds to the Agraharadars. After the assumption of
the country by the British, the same tenure continued up to ~~[illegible]~~ Fasli [illegible]
when Captain McLeod surveyed & assessed the Jari village, & resumed one half of the Agrahar
lands. The remaining moiety forms the Agrahar proper. The resumed lands form the Circar village of
Puduppalayam. Captain McLeod gave the Agraharadars a written Patta, showing the fields belonging to the
Jari Agrahar & their assessment – In F 1208, an account of fields for each share was prepared but
in F 1209 some new fields were taken from the Agraharadars, as being in excess of their moiety – So the Kareewar
field allotments were disturbed – Since the Agraharadars made their own partition of the Jari lands
& they have often exchanged ~~[illegible]~~ & mortgaged shares. For these reasons, we are not able to ~~settle~~
hold separate settlement with each individual.
The whole Agrahar is [illegible] – [illegible] good –

		Total Remaining Agrahar Agrahar	394 1/10	333.48		415-6-6 Agrahar							

The Agraharadars are not able to give any account of the actual cultivation of the village during the last 5 years. It appears, however, that the greatest portion of the Agrahar has been under cultivation. I therefore ~~take~~ fix upon the Agrahar value to represent the Average Beriz of the village viz Rs 415-6-6

Sheet No. 19

(15–19)

The accounts available for the village are the Kareewar fieldwar acct of F 1206, & the Vakthwar field acct of F 1205 – [illegible] F 1209, & the Kosaw acct of F 1201 & F 1210 –

As, under the explanation given in the prefatory memo, it appears that there are no authentic public records to shew the fields forming each individual enjoyment, the settlement can only be held collectively with the whole –

(21)

The Agrahar is enjoyed in 25½ shares – as in F 1205 to 1210.

The Proposed Beriz Rs 415-6-6.

Then each of the 25½ shares is equal to Rs 16-4-7 [illegible]

The Agraharadars are averse to the joint tenure ~~[illegible]~~ & they are afraid that they might lose the whole village for the arrears of petty & refractory defaulters. Their fears are no doubt well founded, as experience has shown that ~~several~~ the Agraharadars of [illegible] have been lost on account of the bad feeling of a mischievous pauper – who may have nothing to lose –

I therefore recommend that each person may be held responsible for his proportion of the Jodi, & that in the event of ~~any~~ the Jodi not being paid by any individual his share ~~is~~ may be attached & sold, in the license of [illegible] ~~[illegible]~~ purchaser or sell them [illegible] to get possession of ~~his~~ the lands belonging to the [illegible] by recourse to Courts – I ~~will~~ shall discuss the subject more fully in my report on the Jodi ~~on~~ rent Agrahars.

~~Total~~ Quit rent ~~[illegible]~~ is fixed at one uniform rate – under the Commissioner's Orders dated ~~9th [illegible]~~ [illegible] 1862 [illegible] 1/8[?].

The [illegible] settled up to this time are 22 4/16 V. [illegible] 45½ Rs

Remaining 2 4/16 V – to be attached
Its Beriz is 46-12-2

(22)

One settlement must be made as usual of the whole Agraharam. [illegible] amongst [illegible] responsible [illegible] – total [illegible] by 5.2 [illegible] of Rs [illegible] –

The Head members are responsible for payment of the charge of the whole [illegible] & possess also a reversionary right in the shares of defaulters – which should be attached & placed in their possession by the Revenue authorities
