Exact year not known.	Note.	Chetti Caste pro = All general = 4.	—	—	Appaji Chetty aged 63 and Venkata = rama Chetti aged 36 the Headmen of the Chetti Caste people.	Tripattur	—	—	The tank seems to have originally granted for a Naudavanam and for keeping a Tank Called Chetti Kolam in repair. The ground is mostly Covered with Tamarind Trees the produce of which is appropriated to maintaining the Tank and paying a man for looking after the garden, which covers the rest of the Inam and the flowers of which are used by the people of all Castes and for making puja in the religious buildings. Also on the Tank bund is a Well. It is on this Tank which is in the town of Tripatore that people mostly depend for their supply of drinking water. It seems usual for the headmen of the Caste to manage the affairs of Naudavanam and Tank and the persons entered in Col: 16 being regarded as joint headmen, it is recommended that the grant be continued in their names.
