Church House
Collector

The confirmed, with means profits
from the 30th December 1864.

Name of	Name entered in the register	Name entered in the survey	Particulars
Original	Population of 1862, many the persons owned little	or in any subsequent accounts	
Grantee	must account relationship of persons entered to original possessor	and relationship to predecessor.	

These certain Circumstances form a Link to ascertain
into the original printer was. It appears from the
present sequence that one Thomas was employed
by the original printer.

In the former account of trade, &c. it is said that *Asiatick* button is dead, and that his *son* is carrying the trade. But the name is not mentioned. It appears that the *Asiatick* button is the same as in the male is so to the animal *Asiatick* mentioned column 13. In the account of trade, &c. it is stated that *Asiatick* button is dead, & that his *son* is carrying the trade, &c.

Goandra styer. Age 49.

Saradi Pett.
