In the Rev. ¹⁸⁴⁵ ~~Journal~~ ^{Journal} is a
 notice of a collection of 40
 native flowers, growing in a
 field of low rock along a
 line - the date of 1845 is given.
 It is recorded in 1845 on the north side
 of the mountain, between the old and
 the new road, the flowers are not
 exactly the same as those
 collected here. The plants are the same, but
 the flowers are different. The plants
 are the same, but the flowers are different.

In the late of September, Brother
 Douglas at law of the County of
 was carrying a half of the share as
 the share of her live - she died 9 years
 or so since she executed in 1833 a
 lawful power of Attorney under the
 all his property to the above mentioned
 of his children her - He suffered
 of the above named to the order
 to the Bankers
 1/2 share at \$20 50
 1/2 share at \$20 50
 with 15
 on 20th 30th
