by statements given by a Co-sharer who claimed an Inam of the same Common Pasture in another Village — I would therefore continue the Inam on its present tenure &c. — Tho' Several months have passed since he promised to adduce proofs the Inam Settlement Officer has not arrived — he has since written to say he cannot arrange before the end of the year

In the Petition Vedavritte Subbasastri addressed to the Inam Settlement Officer Chidambaram dated 18th Sept 1861 he states that the Inam Service held under Sarapade the exemption of which from Assessment was granted for Vedavritte Subbasastri's Service — this however has not been performed for the last 10 years at any rate of the Incumbents — under any circumstances & under any Tenure as a hereditary Inam the Service should be converted into a Cash Payment

There are other descendants of the Grantee who have alienated their lands & settled in other villages —

This Shares as far as the Village Officers knowledge of the matter goes, abandoned & not an escheat to Government being brought under cultivation in Fasli 1268 the Inam Act was carried to the Board of Govt as therein "Jama" — It however appears from a Petition addressed home by the Incumbent whose name is put down in Col 6 that he is an heir & direct lineal heir of the Grantee &c
