For the Lodge Support Rs. 63 Permanent

Of Sri Bhuvanaika Swami Pagoda at Shiyalee

Sivasubramanya Bhaviashasvami Pagoda. Situate the Zamindari of Cudagarpalayam in Tuckerhaly.

This village which is held as a Pagoda endowment is not recorded in the Shrotrium Registers of 1815 or of 1825 - but it was under the management of the Officers of Govt. when the Devastanams Affairs were under Govt. Care; and on the withdrawal of Govt. Connection with such institutions the village was made over to the Trustee of the said Pagoda - & in his hands it continues. The is not able to trace the origin of the grant further back - that it was then duly made over is clear from the accompanying Copy of the Board's Proceedings dated 22d March 1847 furnished by the Collector's Office which has not been able to throw any further light on the origin of the grant - I therefore submit the case of this village for the consideration of the Commissioner to enquire further into the circumstances regarding it as he may see fit - All idea of exemptions enjoyed or regarded by the part of the village have been entirely removed by the Govt since the British assumption & then made over by them to the Trustee - So that the Govt. only can best give an account of the village - The Govt. likely will - Besides, in the case of Devastanam grants we seldom find documents of the kind of Sanads &c. in support of the original grant; it occurred however that the village elders in the neighbourhood may have possibly formed original part of the Shecherikoly District & transferred to S. Arcot, 1st July 1815 - I wrote to the Collr. to know if there was any thing in the records to justify this conjecture - the answer was received to the effect that no Records &c - I would therefore suggest that this could be ascertained by reference to the authorities at Tuckerhaly as the people in the Collector's office at Cuddalore are apparently unable to give an answer one way or the other - The village must of course be continued meanwhile - 8th March 1862 - Sd/ Madanagopala Pillai Sd/ Sayne -

The separate Inams of the village are described as below -

In reply to a reference from this office 26th March /62 the Collector forwards copy of his letter (No 101 of 29th Sept /62) addressed by him to the Collector, from which it appears that in which he states that there is no mention made about the grant of this village in the records preceding the year 1805, in many of which the Taluk of Chidambaram was transferred to the South Arcot District.

Final Remark

It appears that no reply has been received from the Collector's Office but in a case of this sort, there can hardly be a doubt as to the authenticity of the grant & I would submit further drawing, & the deed at once as already decided by Mr Taylor 2/11/65
