Parties rendered dead - It will
be seen that the names of two persons dead
of distinct castes occur in the Account
from the commencement, while the descendants
of one only now enjoy the Nam - It is
alleged that the ~~the~~ Nam was given
him to those two men as what is called
"bar thanai namem, a Namem given on
main fees received - & that one purchased
the long ago, but that the documents have been
lost or true, it is difficult to say;
