For the support of Chitambaram Sri Sabhanayakar Pagoda — Kovil Kattalai — Tax free — Permanent

Registered as "Govt. land" which is really Manium as is further seen from the map &c. Probably this was done to make up for the excess wrongly created (tho' no remarks to that effect appear in the Survey books) as the field thus made Govt. land is nearly equal to the excess —
Under these circumstances I would charge for the full assessment of this field (Rs. 4-4-...) as the Jodi on the whole Inam.
