To be continued so long as the Pagoda is maintained the Dry portion of the Inam is entered in the Survey as Govt. there being some tree on it x it being considered a Lease Inamum &c - but the annual Patta to read the land with it's assessment which would not be the case if the Lease were an inam as in that case the Tree tax alone would be entered - S. therefore treat the whole as ordinary Inam - Here is excess both in the Dry & Wet portion & on the former, it is 20 Decimals & above 10 per cent - but the excess has been more than compensated for by a new road line cut right through the Lot, of about 20 x The excess beyond 10 per cent on the Wet portion of 15 Decimals of which the Patta is charged on a Lease on the whole Inam - 21st Dec. 1861 - Wadaswa Pillai D'Cott
