Field No 25, Comes under dry to the old Inam Field No 48 & was actually held by Inam land & therefore not deducted in the survey - but the Inamdar claims to pay on Shaw. & the Cowle was made to him as far back as 1848 - and renewed in 1849, when he exhibited a new measurement made & certified by the Karnam & the Talliary, that it was the Inam field recognized in the old Jamabandi of Fasli 1218 being clearly proved to be No 65 - Therefore I never why the old boundaries & Inam land
