Cases Nos 19 & 20 are recorded in Register No 318.

Register of Inams in the Village of Natarajapuram (No 19) in the Taluq of Chitambaram in the District of South Arcot

General Remarks regarding Natarajapuram. This Village is also held on Ardha manium tenure like Vasaputtur & Radhavilagham under the orders of Government dated 2nd September 18
It is also one of the villages alienated on that tenure by the ex Palayagars of Pitchavaram who had held it as a Mokhassa. When the circumstances of Vasaputtur & Radhavilagham were reported to higher authority in 1841, there was an enquiry being instituted into the claim preferred by the Bramins of Natarajapuram; but according to Mr Collector Maltby's letter of the 23d July 1852. "Various circumstances "delayed the completion of this enquiry" and on evidence of long enjoyment under a grant produced, that officer applied "for authority to continue the Ardhamanium privilege during the lives of the present "incumbents in accordance with the indulgence which was shown under similar circumstance to the villages of Vasaputtur & Radhavilagham" & this authority was accordingly granted in the Minute of Consultation quoted. A similar course of procedure to the one proposed for the two villages preceding is therefore recommended for this in regard to the terms of enfranchisement. A register is on record of the incumbents in 1853 of whom those still alive are represented in the present Register, other shares having already lapsed.
