Decr & sent at 2 P.M.
Approved - Parties are
in demand -
27th January 1861
Wm. L. Garrison Esq
New York

479

He has no doubts that the
Collected has a good deal on the
ground, he is full of a large
number of the same kind of
objects. He is no doubt
is one of the most important
of the several things in the
world, and it is not
likely that it may not be left
to him. He is a very
important man, and he is
a large part of the
world.

and I would continue the
now subject to the maintenance
of these institutions -
7th February 1861 - 21
