

Personal Wet
No. 250 1 . . 1.32 12.4 . 9.4 .

The great Count ought to be satisfied with
some fine picture; but the small
gifts even needs no notice.

The Persian documents produced, which however are not the original Sanads or Patwas, describe the Imam as "an aged" subsistence, but an understanding in the village seems to lie that it is enjoyed for a mosque and the Imambars support this view. I would therefore continue it as a Moqueim Imam, so long as it is duly maintained.

9th January 1861. W. H. A. & Co. Collectors.
