He has a house that he
collected a goodish in the
vicinity, he shipped a large
quantity of the same & has
sold it for \$1000.00. I could not
get the price in a better
place. I have a good deal of
the same in the house & I
do not think it may not be left
than shall be wanted to be
in the house & the same
in a large number of houses
in the house.
