The successor to the Dargaz
not hesitating but by information
by the last President of the present committee
having been that of person was duly
recognized by the latter in his nomination
of Nov. 1884. The Copanitic is of Spanish
is a descendant of the last President in time
to perfect collection - I have examined
as concerns as Copan the Dargaz is duly maintained
the latter regarding collection, we are informed to -

I continued at long with
 Haskins duty, and learned
 the nature of the Lake, founded
 a that of the latter, visited on Oct. 12
 did not ~~then~~ know any light on the
 point whether the Ls are of a special
 one or for a the Haskins - but the
 grant has always been understood
 as intended for the Haskins which is in fact
 by the Haskins & the Ls and as
 that it is a Haskins Haskins & has been
 for its use - Under these circumstances, I
