The successor to the Dargy is
not immediately but by communication
by the last parcel. The present incumbent
having been then of poor health was duly
recognized by the College in his nomination
of 4th Nov. 1854. The Corporation of Students
is a descendant of the last parcel in his time
to perfect the library - I have examined the
accounts as kept at the Dargy & they are entered
the College accounts & I am informed to -

as covering as long as the Indians duly maintained
 & the Ruler regarding ceremony to be conformable to -
 He continued as long as the
 Charaka's duty, was done.
