The Inamdar says that the called Madadmash in the document he support a Darga out of the proceeds of the Inam & fees takes periodically & there is no doubt true the question however is whether the intention of the grant was for purely personal benefit or for the Darga also - the documents do not allude to the Darga and under these circumstances I submit whether it may not be left to the Inamdar to elect ~~[illegible]~~ whether the Inam shall be ~~granted~~ treated as a religious ~~[illegible]~~ institution grant or otherwise & the Inamdar is for treating it as the former - that there is a Darga ~~[illegible]~~ in Thiruvámúr [illegible] Pillai [illegible]

and I would continue the Inam subject to the maintenance of these institutions - 21st February 1861 - [illegible]
