One Hodda chari a descendant of Seyyapoor Sesha Iyengar the original Grantee sold one third of the entire Inam to Alagramam Ramanujachari adoptive father of the present holder. Inamdar says there is no sale deed.

In the statement received from the Inam Commissioner's Office on the 23rd February 1866, 5 acres and 29 decimals of Inam land were directed to be placed under attachment. In the Title Deed No 631 received on the 19th of May 1863, 3 acres and 55 decimals of this land being the aggregate of the 2 Shares belonging to Venkatachari and Vijayaraghava Chari was entered. The remainder — 1 acre 74 decimals was therefore placed under attachment on the 5th September 1867 and notice given to the other sharer to appear and put in his statement within one year from that date. He accordingly presented a Statement within the time allowed in the notice and it is therefore accepted. This Inamdar pleads that the omission to file his statement earlier before the Deputy Collector was through forgetfulness. As the Inam has been in the enjoyment of the holder from a long time, a quit rent equal to 1/8 of the assessment seems equitable. The Inamdar claims a refund of the assessment paid during the period the Inam was placed under attachment and the Acting Collector considers that he is justly entitled to it. The Inamdar has consented to the levy of 2 Quit rent specified below.

Confirmed on a quit rent of annas 12 to be released from attachment. Past proceeds to be paid to the Inamdar from the date of his appearance.
