Specimen Abstract of the Village of
 New York City
 New York, 1887

Helix maculosa
 Found in the Valley of the Colorado
 Found in the Valley of the Colorado
 Found in the Valley of the Colorado

Francine

Sch. L. 2. Part of H. A. B. L.

France *New York*

The image shows the front cover of an old book. The cover is made of a light brown, textured material, possibly paper or cloth, which is heavily aged and discolored. There are several dark spots, stains, and signs of wear across the surface. A faint, circular stamp or watermark is visible in the center of the cover. The edges of the cover are slightly frayed and uneven. The overall appearance is that of a well-used, antique volume.
