In the above statement

a remark is written to the effect that half of the appurtenant will be charged upon this land after ascertaining its appurtenant. This remark does not bear the signature of any officer but it is supposed to be in the writing of Sadasiva Pillay, the Swami Deputy Collector, and the reason for this is not apparent. The old accounts shew that the entire land area is 7 Jopes but for several years since acres 4.96 appurtenant Rs 22-2-3 are being alienated, and the balance acres 2.97 appurtenant at Rs 11-4-9 is still a Jopes. The individuals mentioned in Column 16 are the lineal descendants of the Original grantee. This land has been enjoyed free of tax for about 80 years as asserted by the Petitioners and Vellapa Curnum to which is supported by the old accounts. The Collector therefore recommends that the Swami be confirmed to the individuals mentioned in Column 16 and that the quitrent of Rs 4-7- be charged thereon. They agree to pay the quitrent.

This statement is submitted with reference to the official memo No 129 dated 27th March 1872 from the 3rd Member of the Board of Revenue in charge of Inam Department.
