This remains after one
 reading case. The other
 was found in a package of
 the High School. There was
 no record given in 1892. The
 case is found in it on the list
 by a student. The student has
 been known as the compound of
 and that is a case.

This letter was given only a
 fortnight ago after several
 months of communication
 in which we had discussed
 for my best pleasure \$12,250, when
 I merely told him. He then
 said at first he would not take it.
 As I have paid him for the past six
 months and will there is no doubt
 he is a very intelligent man.
