I directed the Collector's Record Keeper to search for the Takid granting the Inam originally. After a long search he states it is not to be found amongst the records. He has forwarded the Inam Jamabandi account of F.1221 in which the Inam first appears. It is absent in the acct of F.1217 & the Record Keeper states that the accounts for the faslis between 1217 & 1221 could not be found. In F.1221 the Inam is simply entered without any remark which would no doubt have been made if the Inam was first granted in that Fasli only. As none is made it is highly probable that the Inam existed in the previous years also.
