3. An individual named
Hassara Khan an authorized
agent of Abdul Karim Khan
married to in the genealogical
tree, appeared before the
Collector during the course of
the enquiry and presented a
petition setting forth the claims
of Abdul Karim Khan some
third share of the Village in
virtue of his right as the
grandson of a brother of
Banna Khan the original
grantee and the request was
made to allow Abdul
Karim Khan to enjoy
the one third share of the
Village as directed by the late
Sub Collector. The Collector
appends a short history of this
claim (Contd. please)

Holder 17 Hakeem Khan uncle to no 1, 18. Vakkil & wives do 17, 19. Gunde Madav rankbar sons to 17, 2 daughters to 17-20
 20 Ramchand Khan uncle to no 1, 21. Kaseem Bai wife to no 20, 22. 4 daughters to no 20, 23. 3. Sons to no 20
 24. Farud Khan uncle to no 1, 25 wife to 24, 26, 2 daughters to 24, 27. Khumkayya aunt to no 1, 28,
 Ansha Kayya aunt to no 1. 29. 12 persons related as cousins to no 1.

(Col. R. Contd.) (20)

4. During the minority of the present registered incumbent his uncle one Aghum Khan who had the management of the affairs of the Shrooburn village gave a deed in which he admitted the right of other persons to participate in the Shrooburn the late sub collector on enquiry ignored on order appointing the enjoyment of the proceeds of the Shrooburn village as follows:-
 1) To Abdul Karim Khan grandson of a brother of the original grantee.
 2) To the two illegitimate daughters.
5. On a complaint being prepared by the mother of the present holder wanted 10 regarding this appointment the Board referred the matter to the then acting collector under date 18th January 1858 no 859 for report and requested that officers of opinion on the propriety of what the sub collector had done.
6. The acting collector under date 9th Feb 1858. no 203 accordingly reported stating his opinion that the Shrooburn Village should revert entirely to the present holder and that the alienations in favour of the other members of the family made by the sub collector should not be allowed.
7. The government in para 6 of extract minute of consultation under the date 10th April 1858 notes conveyed in the Board's proceedings date 27th Nov no 1486 conveyed absolutely their orders passed on the 10th April 1848 and voided the entire right of succession to the village in favour of Abdul Karim Khan the present holder.
8. Further in para 7 of the same order of the government observed that the grantee of this maulana for personal service to the ruler made to an individual and his heirs do not descend to collateral heirs and that therefore the brother of the grantee cannot claim to inherit and therefore that certainly grand nephew cannot do so.
9. The claim of the three shares have agreeably to this resolve been rejected and consequently the claim now put forth by the agent on behalf of Abdul Karim Khan for one third share cannot be admitted.
10. Shadi Kallu and Sheriffa Kallu married E and F in 1847 claimed their right to succeed to the Shrooburn Village of Uppari as daughters of the late Subadar Bana Khan the original grantee which claim was rejected by government in consequence of their having failed to prove their claim to be legitimate daughters of Subadar Bana Khan vide the order of Government dated 18th April 1848.
11. For reference to the views expressed by the government in para 11 of the order of the 10th April 1858 the late acting collector had already urged on Khosht Muhammad Khan the present registered holder. The propriety of paying 7 Rs a month to each of these females as subsistence for life. One of them has since died and the other Sheriffa Kallu continues to draw her share of this allowance.
12. In 1862 Sheriffa Kallu presented a petition to government complaining that the monthly allowance of 7 Rs is quite inadequate to maintain her family and the government passed the following final endorsement on 4th Sept 1862 of petition no 913 of 1862.
 The petitioner is in the receipt of monthly allowance of 7 Rs from the Shrooburn-dar Khosht Muhammad Khan and this appears to the government to be ample for her maintenance.
13. Under the foregoing circumstances the claim of Sheriffa Kallu for an increased rate of allowance as well as that made by Adam Khan on behalf of Abdul Karim Khan for one third share of the village have been finally negatived by Government.
14. The collector therefore recommends that the present holder Khosht Muhammad Khan be allowed to enjoy the village of Shrooburn until his death in accordance with the Government Resolutions as conveyed in their proceedings under date 11th July 1858.
