Recommendation of the Collector

21

This article is submitted with a view to the Inam of the land under the 73rd clause of the Inam Scheme Regulation 26 of 1802 under date 22 July 1870. The original holder of the Inam in the village is Raza Beg and the 2 present incumbents are the great great grandsons in the male line and the latter is the great grandson by his daughter of the original holder. The Inam Accounts of Fuslies 1231 and 1234 A.D. state that the Inamdar Raza Beg is dead and the name of Kader Saib, his grandson by his daughter is entered. As the Inam is considered a quit-rent Inam and the amount is equitable and since the Inamdar died the Inam appears to have been resumed by the Sircar. I am of opinion that the Inam should be continued to the present holders and their heirs subject to the payment of the quit-rent fixed by the Inam Commissioner. And the usual Inam Sanad may be granted to them.

A petition from the Inamdars for continuance of the Inam was received within the prescribed time and the Inam Commissioner has recommended that the Inam be continued to the petitioners subject to the payment of the quit-rent fixed by the Inam Commissioner. And the usual Inam Sanad may be granted to them.
