This Inam is said to have been granted for teaching the children in the village. There is no document giving rise to it, but it is a well-known fact that the managers of the temple in the village of *Puttali* have been enjoying the Inam for many years, and utilising the proceeds for the purpose of teaching the children in the village. The Inam is also reported to be a well-known fact in the village.

The continued in the name of the temple in Column B, as long as the institutions are maintained in an efficient state.
