Iswaran Kovil	Narayana Sastri & Para Narayanan in equal shares.	Paramur	nil	-	The one half enjoyed by Narayana Shastri is reported to have been in the enjoyment of his family for over 30 years. The other half in the enjoyment of Para Narayanan was obtained by purchase about 14 years ago from one Ananta Bhari who purchased it from Para Chinnapaiyan and his two sons in 1896.	It came to the notice of the Deputy Collector in 1872 that service was not rendered in the temple and he placed the inam land under attachment and Swajama is being collected since then. The temple has been in a ruined condition for a very long period. The villagers plead inability to repair it and resume service and have no objection to the resumption of the inam. The inam may therefore be resumed and fully assessed.
