	1-10-6 1-7-4 For the Fasli				No document	not known	Do Fasli 1232 the same Annual	1. Vedaratnathayar	(1/2) wife			Subsequently to the settlement of this case in the name of No. 1 No 2 appeared & preferred a complaint that his name had been fraudulently omitted by his brother though he was as much entitled to conception to the Inam as the latter. Referring to the statement filed by No. 1 I see he has entered the name of No 2 as present but has omitted from the list of present holders stating in a remark that while the Inam was under settlement with the late holders a certain sum of money was given to No 2 on loan by the holders, the settlement had been made by which a certain sum of money was given to No 2 on loan by the holders, the repayment of which he has in consequence forfeited. No 2, however, produces the document executed by them in further security thereof before the proper Sheristah authorities at Pondicherry. From it, it appears that No 2 executed a certain amount of money was regretted to No 2 & the Vandayan Minsar of the time & certain villages of Pondicherry were mortgaged for certain debts due to him were hypothecated to No 1. ... document whereas Registered - it appears that No 1 instead of standing that his father had ... solely to himself, the Panchayat Minsar relinquished half of it to No 2. Either on the original will of the Father in which all the property is enumerated or in the subsequent one as alluded to made to the Inam & to the Inam has been till lately held as stated in my decision under mentioned by a modern Annuitant.
