In Report 2 it is said there is no dilapidated mantapam, but at present there is the Idol for worship in the Pagoda of Vekravandi adjoining that village. The Pagoda is small. The Report is not clear. Whether any amount for the worship or for building the Pagoda. Such extraordinary expenses are often incurred by private charity — a deputation from the Superintendent of this Report should go to the village and ascertain whether any such expenses are now, if not, should be incurred hereafter.
