The lands were originally dome-
tite or mandasanam lands in the
enjoyment of the Copura-
puriswaraswami at Copura-
puram in lieu of a portion of
land & allowance due to it.

One has is being collected on the forest and on one field. Another field is classed as flower garden *paranaka* while the thirdrd held on *patla* by the temple. Good have in their order No 1104.

Dec, dated 3-11-06 Announced to P. P. M 4265 Price, dated 2-12-06 sanctioned this treatment so rent-free income for the benefit of the temple, so long as it is maintained in an efficient state and services are rendered thereon. I have deed is therefore recommended to be issued in the name of the temple for the extent of the lands shown in Col 18th register.

2. The refund of the assessment and the tax collected from *patla* 1500 on the lands was sanctioned in P. P. M 234, viz, dated 2-1-07 on the register also have been taken to refund the amount.

3. The *nyan-patla* irregularly issued in the name of the temple will be cancelled on receipt of the title deed.
